Bar Harbor

Authentic all-natural seafood

Dear Store Manager:

One of our customers -- a regular customer of your store -- requests that you please carry Bar Harbor gourmet seafood and specialty food products. We hope that you will consider their request. At Bar Harbor, we create our specialty seafood products the way people on the Maine coast have for generations -- loaded with simple, easy-to-understand ingredients like tender mussels, juicy clams, and whole Maine lobsters from the cold North Atlantic. It's as close to "fresh off the docks" as you can get without being here. Thanks for your kind consideration! For more information, please contact me directly at **800-962-6258** or mcote@barharborfoods.com.

Thank you!
