

Fancy Seafood Meats & Juices

Fresh Off the Docks of Maine!

- “The Sea in a Bottle” - our authentic Clam Juice as described by the Boston Globe, bottling only the savory essence of fresh clams, triple-filtered for pure, clear results!
- Sustainable-harvested seafood – we support our local fisheries!
 - All-natural ingredients, No MSG, No trans fat!
 - Hand-shelled & hand-packed with care in Maine!
- Packed in environmentally-friendly, recyclable containers!

The taste of the wind, weather, and clear, cold water; it's not a flavor that needs improving. We create our specialty seafood the way people on the Maine coast have been doing for generations – loaded with simple, easy to understand ingredients like fresh-off-the-docks clams, plump mussels, and whole Maine lobsters. It's as close to “fresh off the boat” as you can get without being here. Bar Harbor® is a special place. You can taste it!
